

Knowledge Transfer Service: Codex4SMEs Webinar on

# Finding Samples and Data with the BBMRI-ERIC Directory & Negotiator

*Browse biobank collections across Europe and get the  
samples and clinical data you need*

**BBMRI-ERIC DIRECTORY**

WITH OVER 100 MILLION SAMPLES AND DATASETS  
FROM MORE THAN 600 BIOBANKS  
NOW ADDING BIOBANKS ACROSS THE GLOBE  
WITH COVID-READY COLLECTIONS  
GET ACCESS WITH OUR NEGOTIATOR TOOL

Visit: [directory.bbmri-eric.eu](https://directory.bbmri-eric.eu)

**MAKING  
NEW  
TREATMENTS  
POSSIBLE**

**BBMRI-ERIC**

**DATE** 3 DECEMBER 2020

**TIME** 2 pm - 3 pm CET  
(UTC+01:00) Amsterdam, Berlin, Bern, Rome,  
Stockholm, Vienna

## AGENDA

During this webinar, we will demonstrate how to find samples from over 600 biobanks across Europe – and now beyond - via our Directory. Then we will explain how to send sample requests to multiple biobanks using our Negotiator tool.

## OUR EXPERT SPEAKER

**PETR HOLUB** is Associate Professor of computer science at Masaryk University. Since 2015, he is Senior IT and Data Protection Manager at BBMRI-ERIC, the European Research Infrastructure Consortium for Biobanking and BioMolecular Resources. He is also Chief Information Technology Officer for BBMRI-ERIC Common Service IT. He has background both in sciences and computer science.

## WHAT'S IN IT FOR ME?

You will learn and hear about:

- *Filters for COVID-19-relevant samples and data*
- *Quality marks of certain collections*
- *How to follow up on requests to multiple biobanks*
