

“BE-GOOD Capitalisation” End Event

Programme Open session Project results

Tuesday 29 March 2022, 13:00 – 17:30pm

For registered participants: Hybrid meeting Live Event & Digital

Webinar hosted by Lead Partner Rijkswaterstaat (implementation Agency Ministry of Infrastructure & Water Management) The Netherlands

Please note : Due to the lower level of uncertainty of the developments of the **COVID-19** situation and the escalating Ukrainian crisis in Europe, the decision has been taken to hold a hybrid event: Live in The Netherlands for the BE-GOOD project Partners and a Zoom Digital access link for the extended Partner network. Thank-you for your understanding.

Location: Live Ministry of Infrastructure & Water Management Rijkswaterstaat Offices, Rijnstraat 8, 2515 XP The Hague and Zoom access link online once your registration form has been received.

Studio location for Lead Team tbc, The Netherlands
