for Climate & Energy

# How to foster 4<sup>th</sup> generation district heating and cooling?

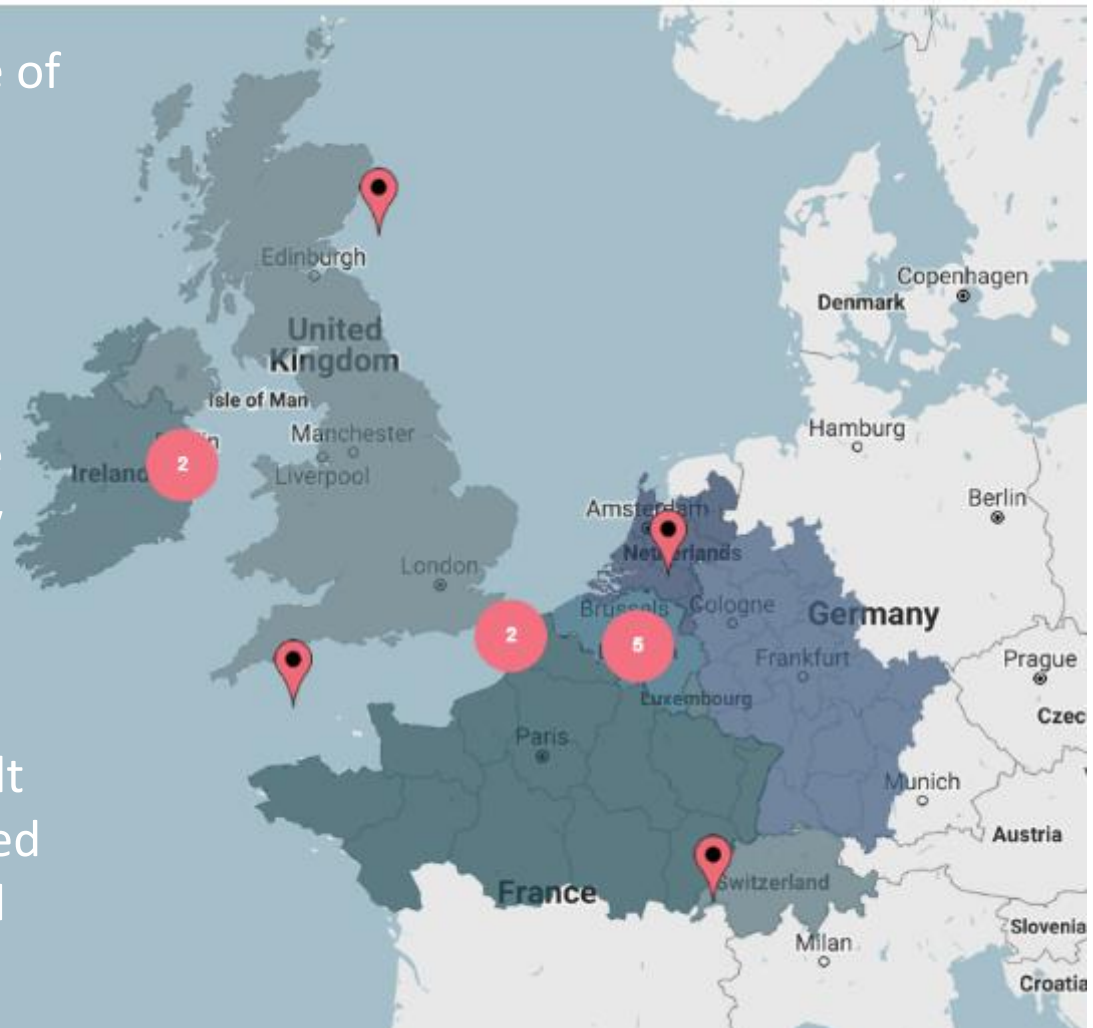

# The Covenant of Mayors for Climate & Energy - Europe

As part of the European Covenant of Mayors movement, **cities and towns** are taking **climate and energy action** to secure a **better future** for their citizens.

# HeatNet NWE project

The overall objective of HEATNET NWE is to introduce and demonstrate the 4th generation DHC (4DHC) in NWE. The concept requires the development of new institutional and organizational frameworks. The project will result in 15,000 t CO<sub>2</sub>e saved per annum at its end
